

# FUNDRAISING COLLECTION STANDARDS

In accordance with our DGR status, ACNC endorsement and National Financial Standards, we need to ensure the transparency and visibility of all funds donated to Ronald McDonald House Charities South Australia.

## Fundraising Platforms

Any third party donations (whether it be proceeds from an event, cash donations, money tins, raffles) stewarded & received on RMHC SA's behalf under an Authority to Fundraise, need to be **directly deposited into our bank account to avoid fees** that come with submitting via third party fundraising platforms.

As a registered fundraiser, once you have paid all your expenses and collected donations, please transfer the profit to **RMHC SA bank account within 10 days of the event**.

### Electronic transfer:

**Bank & Branch: Commonwealth Bank, North Adelaide**

**BSB: 065 114**

**Account number: 1015 3004**

**Account name: Ronald McDonald House Adelaide Donations**

### Direct Deposits

Prior to transferring funds across to our bank account, please confirm transfer date, reference name and amount being deposited via email to [fundraising.sa@rmhc.com.au](mailto:fundraising.sa@rmhc.com.au).

Supporters that donate to your online fundraising page will receive an automated tax-deductible receipt; supporters that make any offline donations may submit their details to you via a 'Receipt Request Register' (contact RMHC SA if you require this document) and RMHC SA will issue a receipt directly.

**Please note cash donations, raffles and fundraising event funds should NOT be transferred via the Funraisin or Website platforms that produce a tax receipt in an individual's name unless the individual is 100% responsible for the source of those funds.**

## Receipts

**In summary, only funds donated by an individual should go through our third party fundraising platforms. All other sources of funds should be deposited into our donation account within 10 days of the event.**
