

# WORKING BEE PROGRAM

The Working Bee is an opportunity for corporate, social, community or other groups to spend a 'team building' day together, while helping Ronald McDonald House to support families by maintaining a clean and safe environment for all to enjoy.

# WHY WE NEED THE WORKING BEE PROGRAM

An establishment such as Ronald McDonald House takes an enormous amount of upkeep.

The Working Bee Program provides vital resources to help us maintain clean our welcoming surroundings for our families to enjoy.

The Working Bees are approximately half a day (4 hours) in length on any week day.

We host one Working Bee per month offered to corporate or community groups.

They generally run from 10am-2pm, but this can be negotiated and we can accommodate a group of up to 8 participants.

#### Will there be someone around if we need help or guidance?

We will have staff and/or volunteers that will show you around the House and answer any queries you may have.

#### Do we need to wear anything specific?

Please wear casual comfortable clothes that you don't mind potentially getting dirty.

#### Is it okay to take photos?

You're more than welcome to take happy snaps of your group; however we do ask you to refrain from taking any photos of our families unless you have been specific permission to do so. Please always check with one of our staff or volunteers if unsure.
