STEP 3 - RUN YOUR FUNDRAISING ACTIVITY

Planning your fundraising event

Create a budget

It's very helpful to prepare a budget so that you have a fundraising goal and also, so that you keep track of your expenses. There are ways to save on expenditure, such as getting business support to help with catering costs, venue hire or promotion. If you can do this, you will be able to reduce your expenditure budget significantly.

Gaining business support

As well as gaining donations from individuals, you may want to approach local businesses to support your event. They may be able to help you out with a donation or to provide catering or prizes. For example, you could approach your local :

- Butcher to provide a meat tray
- Hairdresser to donate a voucher for a free hair cut
- Music or entertainment store to give away free CDs/DVDs
- Bakery to provide bread rolls for the event

If you work, you may also want to speak to your employer about sponsoring you or even matching donations that other staff members make.

Note: Please maintain a high level of sensitivity and compassion when approaching businesses, taking into consideration the impact that COVID19 may have had.

Promote your event

There are many ways that you can promote your event – here are a few ideas:

- Send out an event invitation to your friends using social media.
- Post or hand out flyers in your local area – on car windshields, in cafes, school/university or work notice boards.
- Send out an email to your friends/colleagues.

The staff at RMHC SA can provide assistance with developing marketing collateral specific to your activity!

Use of the RMHC SA name and logo

If you would like to refer to Ronald McDonald House or use our supporter's logo in your promotional material or at your fundraising event, you will need to obtain prior permission. To request use of the RMHC SA name or logo, please contact us at **08 8267 6922** or via email on fundraising.sa@rmhc.org.au.

At your fundraising event

On the day of the event, you may want to:

- Welcome guests and fill them in on the event schedule, such as what time you will be serving lunch/having breaks; if there are any competitions/raffle draws etc.
- Talk about why you are supporting RMHC SA.
- Ensure you have a safe place to store donations and receipt books. *RMHC SA can provide you with receipt books.*
- Bring extra notes and coins with you in case people need to receive change from their donations. Or consider arranging an electronic/cashless system for ease and to reduce money handling.

STEP 4 - DONATION PROCESS AND ACKNOWLEDGING YOUR SUPPORTERS

After your fundraising event

Sending your collections to us

As a registered fundraiser, once you have paid all your expenses and collected donations, you need to transfer your profit to RMHC SA within **10 days of the event**.

This can be done either via electronic transfer, or via cheque or money order.

All payments made must be accompanied with the donation summary form, which will be provided to you as part of the Authority to Fundraise agreement. This will have our Fundraising bank account details, and directions of where to mail or drop off cheques or money orders.

Along with the notice of your deposit, you will need to include your name, the name of your fundraiser, the amount raised, and the date transferred and reference (if doing it electronically).

Note: cash donations can be delivered to our reception, or banked and then transferred as a direct debit.

Thanking sponsors, donors and supporters

Once the event has concluded and you have worked out how much you raised, you should send thank you letters or emails to your sponsors, donors and supporters.

It is very important to thank those who have supported you, and we would be happy to provide some guidance if you need.

FREQUENTLY ASKED QUESTIONS

Can I use a RMHC SA logo?

If you would like to include the RMHC SA supporter's logo on your promotion materials, you must gain approval from us. Do I need insurance for my event?

RMHC SA does not provide public liability insurance for fundraisers. This is because public liability insurance is very expensive and we feel it is better to put our funds into our services for families. It is up to you to decide whether you need insurance to cover your fundraising event to protect yourself and your supporters. We suggest you hold your event at a venue which is already covered by public liability insurance.

Each State and Territory has legislation relating to fundraising activity. It is your responsibility to clarify and implement the charity fundraising legislative requirements of your state/territory.

FUNDRAISING TERMS OF AGREEMENT

These Terms of Agreement provide the basis for a fundraiser/event to be organised by the Community Fundraiser on behalf of RMHC South Australia. By signing and returning the Fundraising Agreement to Fundraise, the Community Fundraiser indicates acceptance these Terms of Agreement and thereafter these terms and conditions will form the basis of any dealings between RMHC SA and the Community Fundraiser in relation to the fundraiser/event. "Community Fundraiser" means the individual or organisation holding the fundraiser/event for the benefit of RMHC SA.

Authority to fundraise

Regulation and best practice in Australia dictate that any person or organisation fundraising must have an 'authority to fundraise'. The Community Fundraiser is not authorised to use RMHC SA as its beneficiary charity until it has received an authorisation letter from RMHC SA.

The 'authority to fundraise' will be sent by RMHC SA after:

- we have received a written and signed application from the Community Fundraiser;
- we are satisfied that the fundraiser/event will produce a reasonable return after expenses have been deducted;
- we are satisfied that the fundraising activity fits in with the aims and values of RMHC SA; and
- we are satisfied the fundraising activity is not high risk.

The fundraiser/event shall be conducted in the Community Fundraiser's name and is the sole responsibility of the Community Fundraiser. RMHC SA is not able to take a coordination role in these activities and its officers cannot assist in soliciting prizes, organising publicity, or providing goods or services to assist the Community Fundraiser in the running of the fundraiser/event.

Legal implications

The event/fundraiser must meet the requirements of relevant State and Territory laws and regulations. The information you give RMHC SA must be available to regulatory authorities on request. RMHC SA does not provide legal advice regarding compliance with these laws and regulations.

Ronald McDonald House Adelaide's reputation

Due to the nature of our organisation and the high ethical standards under which we operate, there are some events with which we cannot be associated. We cannot endorse some activities, including:

- extreme sports such as parachuting, paragliding or bungee jumping,
- motor vehicle and motor bike racing and activities that involve marine racing unless the Fundraiser provides evidence of public liability insurance to cover themselves and their participants;
- gambling;
- games of chance that do not comply with State legislation;
- activities of a sexual nature; or
- activities that promote harm to self or the environment.

Insurance

RMHC SA is unable to provide public liability insurance cover to Community Fundraisers.

Using the Ronald McDonald House Adelaide name and logo

Please remember that the event will not be RMHC SA's event, but an event to raise funds for donation to RMHC SA. All material with which the RMHC SA name and logo is to be associated must first be approved by RMHC SA. If the Community Fundraiser wishes to utilise the RMHC SA's name and/or logo on any materials or products, the Community Fundraiser must obtain prior permission from RMHC SA.

References to RMHC SA

If the Community Fundraiser wishes to refer to or promote RMHC SA, it must refer to RMHC SA as "RMHC SA" or the specific House which will benefit from monies raised. Eg Ronald McDonald House Adelaide.

Printed Materials

Any material, pamphlets, brochures or products must be submitted to RMHC SA for approval before a request to use the logo will be granted. Other printed material, such as media releases must be pre-approved by RMHC SA. Printed material must be forwarded to RMHC SA for approval prior to being printed or circulated.

Use of the logo

Permission to use the logo must be requested and will attract conditions to be negotiated between Ronald McDonald House Adelaide and the Community Fundraiser, especially if the use of the logo is for marketing activities of the organisation. A minimum amount of donation may have to be guaranteed for activities of this nature. Guidelines on how to use the logo will be supplied once permission for its use is granted.

Participation of children in an appeal

Some States have special regulations that apply when children participate in an appeal. Different rules apply for children of different ages. If you are planning to involve children in your fundraising activity/event, you will be required to comply with further guidelines from RMHC SA before proceeding with your activity/event.

Finance, records and receipting

The financial aspects of fundraising, raffles, record keeping and management of the fundraiser/event are entirely the responsibility of the Community Fundraiser and the Community Fundraiser must comply with the relevant State or Territory laws and regulations.

The following is a summary of financial reporting typical of that required from Community Fundraisers which is needed to protect the public interest:

- set-up and maintain proper financial records and accounts which can be audited if necessary;
- provide RMHC SA at the outset with an accurate estimate of expenses and the likely proceeds of the fundraiser/event;
- where necessary/appropriate, set up a separate bank account that mentions RMHC SA's name. All funds are to be banked into this separate bank account. This account must be closed after your event;
- money raised and details of your actual income and expenditure must be returned to RMHC SA within four (4) weeks of the fundraising activity; and
- RMHC SA cannot pay expenses incurred by you, but you can deduct your necessary expenses from the proceeds of your event, provided they are properly documented. (Total expenses must be less than 40% of total proceeds).

Receipts

RMHC SA can provide official receipts for approved events. Tax-deductible receipts can only be issued to people donating money of \$2 or more.

The Community Fundraiser must keep a register of all attendees/supporters eligible for a tax-deductible receipt. Individual receipts will be sent to the Community Fundraiser for distribution to attendees/supporters.

It is the responsibility of the Community Fundraiser to understand:

- circumstances when a receipt can be issued, and to whom,
NB: The following are not tax-deductible:
 - Ticket purchases (eg. raffle), entry to an event, donations of goods or services, auction purchases, or purchase of a device;
- The legal implications of issuing receipts and the necessity of returning official receipts books (used and unused) to RMHC SA;
- Reconciliation of funds.
