Director's Report

The Directors present their report together with the Financial Report of Ronald McDonald House Charities (RMHC) North Australia for the year ended 31 December 2022 and the Independent Auditor's Report thereon.

Principal activities

During the year, the principal activities of the RMHC North Australia were to supply accommodation and associated support for regional families of seriously ill or injured children who received treatment at Townsville University Hospital. RMHC North Australia also conducts other associated programs such as:

- Ronald McDonald Family Room at Townsville University Hospital
- Ronald McDonald Family Retreat at Palm Cove
- Ronald McDonald Learning Program throughout North Queensland and the Northern Territory
- RMHC Hospitality Cart at Mount Isa Hospital

In the reporting year, RMHC North Australia added an additional program, with the opening of the Ronald McDonald Family Room at Mackay Base Hospital in December 2022.

Operating Result

The surplus for the year was \$122,716 (2021: \$1,120,895 surplus), after the one-off expense item of \$1,072,482, transferring the newly built Ronald McDonald Family Room asset to Mackay Hospital and Health Service (MHHS). RMHC North Australia has a Licence Agreement with MHHS to operate a Ronald McDonald Family Room program within this asset, supporting families with seriously ill or injured children accessing Mackay Base Hospital for treatment.

Overall, net fundraising revenue for the year was \$1,384,896, a strong result despite continued disruptions to event fundraising due to the ongoing global pandemic, COVID-19.

The Charity's Balance Sheet remains strong and is well positioned for the ongoing operational and investment plans.

Strategic Plan

The Charity mission is to improve the health and well-being of seriously ill children and their families through practical care programs. Our strategic priorities are to:

- Enhance our impact to more seriously ill children and their families
- Transform and innovate our revenue growth
- Attract and retain the best mission focused people
- Drive collaboration for efficiency
- Be recognised and known as an essential service and for our organisational excellence

ABN: 24 254 114 823

Notes to the Financial Statements For the Year Ended 31 December 2022

The financial report covers Castle Hill Spinney Ltd T/A Ronald McDonald House Charities North Australia as an individual entity. Castle Hill Spinney Ltd T/A Ronald McDonald House Charities North Australia is a not-for-profit Company, registered and domiciled in Australia.

The principal activities of the Company for the year ended 31 December 2022 were to provide a home away from home for seriously ill children and their families.

The functional and presentation currency of Castle Hill Spinney Ltd T/A Ronald McDonald House Charities North Australia is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the opinion of those charged with Governance the Company is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

The financial statements have been prepared on an accrual and are based on historical costs.

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the company's accounting policies.

2 Summary of Significant Accounting Policies

(a) Income Tax

The Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(b) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Notes to the Financial Statements For the Year Ended 31 December 2022

2 Summary of Significant Accounting Policies

(c) Revenue

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

Sales revenue

Events, fundraising and raffles are recognised when received or receivable.

Donations

Donations collected, including cash and goods for resale, are recognised as revenue when the Company gains control of the asset.

Grant Revenue

Grant revenue is recognised in profit or loss when the company satisfies the performance obligations stated within the funding agreements.

If the conditions are attached to the grant which must be satisfied before the company is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

Other Revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Contract assets and liabilities

Where the amounts billed to customers are based on the achievement of various milestones established in the contract, the amounts recognised as revenue in a given period do not necessarily coincide with the amounts billed to or certified by the customer.

When a performance obligation is satisfied by transferring a promised good or service to the customer before the customer pays consideration or the before payment is due, the Company presents the contract as a contract asset, unless the Company's rights to that amount of consideration are unconditional, in which case the Company recognises a receivable.

When an amount of consideration is received from a customer prior to the entity transferring a good or service to the customer, the Company presents the contract as a contract liability.

Notes to the Financial Statements For the Year Ended 31 December 2022

2 Summary of Significant Accounting Policies

(d) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(e) Trade and other receivables

Trade and other receivables include amounts due from members as well as amounts received from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(f) Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Depreciation

Property, plant and equipment is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	2-10%
Plant and Equipment	5-33%
Furniture, Fixtures and Fittings	10-20%
Computer Software	20-50%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(g) Impairment of non-financial assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for non-financial assets. Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated. The recoverable amount of an asset is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss. Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

Notes to the Financial Statements

For the Year Ended 31 December 2022

2 Summary of Significant Accounting Policies

(h) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(i) Employee Provisions

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Independent Auditor's Report to the Members of Castle Hill Spinney Ltd T/A Ronald McDonald House Charities North Australia

Opinion

We have audited the special purpose financial report of Castle Hill Spinney Ltd T/A Ronald McDonald House Charities North Australia (the Company), which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the responsible persons' declaration.

In our opinion, the accompanying financial report of the Company has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Company's financial position as at 31 December 2022 and of its financial performance and cash flows for the year then ended; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report to the Members of Castle Hill Spinney Ltd T/A Ronald McDonald House Charities North Australia

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of those charged with governance's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.
